With each episode, we invite you to taste the exotic spiritual spices that season the entire Bible and are long lost to our twenty-first-century palate.

The Gospel Spice Ministries exists to **inspire Christ-followers in our generation to delight in God**. "God's glory, our delight!" is a phrase you'll hear us say often.

A GLOBAL MISSION

We provide resources to **empower Christian leaders** across generational, social, ethnic and geographical boundaries towards **more intimacy with Jesus Christ** and **discipleship effectiveness** through a Biblical Christocentric foundation.

The Gospel Spice Ministries are a non-profit corporation, expressly intent on giving as much as possible of the funds we receive to Christian agencies on the frontlines of the **fight against human trafficking** at home and abroad.
